# Welcome to A Club For Kids Takari

*At ACFK Takari, we value each child as an individual and recognise their unique interests, talents and abilities. Our Educators give guidance and freedom to the children to learn through play to expand on each child's creativity and build on their independence. Our programs encourage children's passions and interests by providing a range of activities and experiences of their choice. The Educators of ACFK Takari strive to create a secure, safe and enjoyable environment for all children and families who come through our doors.*

Welcome to A Club For Kids Takari. Please read this book carefully as the information within will help settle your child into our service. Any questions you may have that have not been answered in this book please do not hesitate to ask one of our Friendly Supervising officers.

At ACFK Takari we are committed to following the National Quality Framework, which includes the Education and Care Services National Law Act 2012, and the Education and Care Services National Regulation 2012. These Regulations are the requirements for all child care centres in Australia as established by the regulatory authorities.

## Before School Care

We run BSC (Before School Care) from 6:30 am until the start of school Monday to Friday during the school term. In the mornings, children are dropped off and signed in by a Parent/Guardian. Your children are offered breakfast with a choice of cereal or toast with toppings. BSC has a cost of \$27 per morning per child.

## After School Care

We run ASC (After School Care) from the end of the school day until 6pm Monday to Friday during the school term. In the afternoons children meet our Educators in the centre unless they are Kindy or Pre Primary then they are collected from the classroom and walked down to the centre. A light snack and fruit will be provided to the children for afternoon tea. Once children have finished afternoon tea and their homework (if any) they have a choice to participate in that day's activity or free play either outside or in. Children can bring devices but they are not the responsibility of the centre and are not allowed to be used until 5pm. The cost of ASC is \$36 per child per afternoon.

# Vacation Care

Vacation care runs during the school holidays Monday to Friday 6:30am until 6pm. During Vacation care light snacks and fruit are provided for Morning and Afternoon tea on occasion when noted lunch will be provided. During school holidays ACFK Takari will go on excursions 1-2 times a week. On our excursion days children need to be at the centre by 9:30am and will return by 3pm. Some of our excursions include Laser tag, Timezone, the cinemas, nature playgrounds etc. Children may bring devices on Vacation care days but they are not the responsibility of the centre and are only to be played at certain times during the day.
